This curriculum teaches children how to recognize and respond to various dangerous or harmful situations.

THE PROGRAM COVERS THE FOLLOWING TOPICS:

Lesson 1: Abductions

Children are taught how to recognize & respond in a potentially dangerous situation, including interactions with strangers

Lesson 2: Feelings & Instincts

In this lesson, children are taught how to identify the feelings that tell them when a situation might be dangerous or hurtful

Lesson 3: Tricks

Children are taught to identify ways people use tricks to put them in a dangerous or hurtful situation & how to respond to keep themselves safe

Lesson 4: Personal Space

Children will be able to identify their personal private body areas & the difference between safe and harmful touches to recognize dangerous and hurtful situations

Lesson 5: Identifying Support & Telling

Children are taught to identify safe and trusted individuals that they can tell if they are in an unsafe situation or if someone has harmed them

BODY SAFETY RULES

- 1 Say NO!
- 2 Get Away
- 3 Tell Someone

This program is presented at no cost to the community by Isabella County Child Advocacy Center thanks to support from the Saginaw Chippewa Indian Tribe!
