

ISABELLA COUNTY CHILD ADVOCACY CENTER PRESENTS CAR SEAT SAFETY CHECKS

Do you...

**Need to ensure
proper installation
of a car seat?**

**Have uncertainty
on which car seat
your child needs?**

**Want to learn the
proper way to secure
a child in a seat?**

7 out of 10

Children are improperly secure in their child safety seats (according to the National Traffic Highway Safety Administration).

71% and 54%

Are the rates that car seat use reduces the risk for infant deaths and toddler deaths, respectively, in passenger vehicles.
