

The Michigan Child Protection Law requires certain professionals to report their suspicions of child abuse or neglect to Centralized Intake.

This law includes legal requirements for:

- Reporting
- Investigating
- Responding to child abuse and neglect

All regulated providers are mandated reporters.

ARE YOU AWARE OF YOUR RESPONSIBILITY TO REPORT CHILD ABUSE?

For more information scan the QR code below

Mandated reporters are an essential part of the child protection system because they have an enhanced capacity, through their expertise and direct contact with children, to identify suspected child abuse and neglect.

Did you know?

Reports made by mandated reporters are confirmed at nearly double the rate of those made by non-mandated reporters.

This program is presented by Isabella County Child Advocacy Center to the community at no cost thanks to the generous support of United Way of Gratiot & Isabella Counties.
